Current position

2020/10– Researcher/Lecturer (Wissenschaftlicher Mitarbeiter), Bielefeld University
Research, teaching, and administrative duties, Coordination of linguistic outreach

2024/01–12/2028 Principal investigator in *Creativity in (morpho)syntactic variation: The role of analogy*,
PIs: András Bárány, Jutta-Maria Hartmann
Project A01 of *CRC 1646 Creativity in Linguistic Communication* funded by the German
Research Foundation (DFG); amount awarded in total/to PI: €400 500/€200 250

Previous positions

2019/09– Principal investigator in *A typological gap in ditransitive constructions as a window on*
2020/09 *syntactic theory*, funded by the European Union through the LEaDing Fellows Pro-
gramme (Marie Skłodowska-Curie grant agreement No. 707404), Leiden University

2018/12–2019/08 Research associate, SOAS University of London

2017/01–2018/11 Post-doctoral research assistant in *Prominent Possessors*, funded by the UK Arts and Hu-
manities Research Council (AHRC), grant no. AH/M01078/1, PI Irina Nikolaeva

2016/01–12 Post-doctoral researcher in the project *Az uráli nyelvek mondattanának változása asz-*
immetrikus kontaktushelyzetben [Changes in the syntax of Uralic languages in asym-
metrical contact situations], OTKA 118079, ERC_HU_15, PI Katalin É. Kiss

Education

2012–2015 PhD, Department of Theoretical and Applied Linguistics, University of Cambridge, su-
pervised by Ian Roberts, Theresa Biberauer and Michelle Sheehan
Dissertation *Differential object marking in Hungarian and the morphosyntax of*
case and agreement

2014/04–08 Visiting PhD student at the University of Cologne, with Klaus von Heusinger

2013/06–07 LSA Summer Institute, University of Michigan, Ann Arbor

2009–2012 MA in Finno-Ugric Linguistics (with distinction), University of Vienna

2005–2009 MAG. PHIL. in General Linguistics (with distinction), University of Vienna
